SPONSORSHIP 2015-2016 BENEFITS

\$250 Bronze Package

- One ad in all EV published documents.
- One permanent ad on our website.
- Demo ride at West Wilkes High School

\$500 Silver

All Bronze Benefits are included in this package along with the following:

- 3"x 6" advertisement slot on one of our vehicles. Sponsors are responsible for providing artwork and decal for their logo.

\$1000 Gold Package

All Bronze Benefits are included in this package along with the following:

- 6"x12" advertisement slot on one of our vehicles. Sponsors are responsible for providing artwork and decal for their logo.

\$2000 Platinum Package

All Bronze benefits are included in this package along with the following:

- Advertise on radio and television broadcasts (when available.)
- Advertisement on either the entire hood, tailgate, top, or rear fender of our 2000 Mazda Miata, or any of our future conversions. These spots are first come first serve. Sponsors are responsible for supplying artwork and decal for their logo.

Additional benefits for sponsorships over \$2000 can be negotiated upon request.

Donations do not have to be in forms of cash and all are tax deductible.
Please contact our instructor with any questions regarding these packages.

New Shop Advertising Opportunities for 2015-16

Locker Ads (8"x 12") \$50

Small Banners (17" x 22") \$100

Medium Banner (22"x 60") \$500

Large Banner (22" x 108") \$1000

Description of the Locker Ads and Banners

Potentially 80+ students will all see the banners and locker ads during each school day. Additional students, staff and visitors will see the ads over the school year. Sponsors may provide their own ad or banner, or the EV team can create the ad or banner with your digital information. Several openings are available. Get your ad as soon as possible.

Contact Mr. Tolbert for more information.
